### ABOUT CÁDIZ, SPAIN

Occupying a tiny peninsula on the south coast of Spain, Cádiz is a beautiful old city that is well worth a visit. The old town is in the tip of the peninsula and is buzzing with beautiful *plazas* that are constantly full of life. To get here, you must pass through the new town, an elegant metropolis with excellent beaches. Cádiz is known all over the world for its food, as there are lots of bars and restaurants serving typical fried fish (*pescado frito*) and fresh seafood; for its friendly people and paradise urban beaches and its carnival celebrations in February.
